Winter's a charm with the Canadian Automobile Association.

Canadian winters have their own charm. But they are no fun for the family when your car breaks down and you're stranded on the road. With a Canadian Automobile Association (CAA) membership, you'll have peace of mind knowing that CAA's Roadside Assistance will come to your aid whenever you need:

- A car battery boost or replacement*
- Gas for an empty tank*
- A tire change*
- Assistance when you lock your keys inside*
