Predictions for the week {25th March to 31st March 2018}

Number 1 {SUN}: {Those born on the 1st, 10th, 19th and 28th in any month}

Being brutally truthful about your convictions, you will take the bull by the horn, which is not a bad idea. But a little diplomacy won't hurt; remember, it's a jungle out there!

Try to be a little more relaxed, and forgiving; a little more tranquility from the stressful monotony will do you very good.

Lucky Days: Sunday, Wednesday and Thursday.

Number 2 {MOON}: {Those born on the 2nd, 11th, 20th and 29th in any month}

You may come out to be rather 'shallow' to others, and so try to lower the pitch just a bit. Your intention and efforts are incontestable, but possibly the

method is a little too crass for those who are not from your school of thought.

A changed approach could make you see many other dimensions, and give you more dividends

Lucky Days: Sunday, Wednesday and Thursday.

Number 3 {JUPITER}: {Those born on the 3rd, 12th, 21st and 30th in any month}

Attempt to focus the unending stamina for the benefit of society on the whole.

You have the ability to serve the masses, so Mr. Spiderman, the more the power, and the bigger the responsibilities.

Lucky Days: Tuesday and Friday.

Number 4 {URANUS}: {Those born on the 4th, 13th, 22nd and 31st in any month}

If you think you do not get rewarded for your efforts, remember, there are

many like you who think the same; patience and resolve helped the ant reach its destination, despite several futile attempts, and falls from high positions.

It's the end result that matters, and we all are far from the finish line; there is still a lot of time left.

Lucky Days: Sunday, Wednesday and Thursday.

Number 5 {MERCURY}: {those born on the 5th, 14th and 23rd in any month}

You will find more courage than usual, so use this in organizational thoughts; others could feel the heat, but if you think and know you are right, it's definitely going to be worth it.

You can't be a 'Yes-Man' all the time, as it's impossible to please all the people all the time.

Lucky Days: Friday.

Number 6 {VENUS}: {those born on the 6th, 15th and 24th in any

month}
With your meticulous planning, you may feel that nothing can go wrong; supremely confident, sometime we are blinded and prejudiced.

However the best-laid plans have also failed, many a times; allow yourself some room so you can rejuvenate and make your next strike; who knows, you may subsequently hit the mark.

Lucky Days: Tuesday and Friday.

Number 7 {NEPTUNE}: {those born on the 7th, 16th and 25th in any month}

You may get the rewards for past efforts, and why not? Who deserves it more than you, or at least that's what you would be thinking?

Even if others consider you materialistic, you also have the ability to be content with the non-materialistic splendors of life; so enjoy the palate of goodness, bon-appetite!

Lucky Days: Sunday, Wednesday and Thursday.

Number 8 {SATURN}: {those born on the 8th, 17th and 26th in any month}

You have the right to think that 'justice delayed is justice denied'; but sometimes we find ourselves on top of a huge wave, and completely at its mercy. The best thing to do at this time is to lie low, eventually the tide will settle.

Lucky Days: Wednesday and Friday.

Number 9 {MARS}: {those born on the 9th, 18th and 27th in any month}

What can give you more pleasure than an adventurous, grueling mêlée? As long as you are forgiving, and side the underdog, all is fair in love and war.

It's usually difficult to subdue or 'contain' yourself, so better direction could yield more takings.

Financially, there is no need to get disturbed.

Lucky Days: Tuesday and Friday.
