Predictions for the week {29th April to 05th May 2018}

**Number 1 {SUN}: {Those born on the 1st, 10th, 19th and 28th in any month}**

Perfection is what you could strive for, and may have loads of expectations from others as well. Your ideas and ambitions are mostly larger than life, or at least others would like to think so, for they may not share the same vision. Be wary of impulsiveness to avert risk from accidents.

Lucky Days: Sunday, Tuesday and Wednesday

**Number 2 {MOON} {Those born on the 2nd, 11th, 20th and 29th in any month}**

You could want to follow your romantic moods and let your hair loose, to enjoy the brief interlude available.

Loved ones may be party to this, so do not feel guilty if you find yourself shaking a leg more than

usual; after all, we only live once. Lucky Days: Sunday, Tuesday and Wednesday

**Number 3 {JUPITER} {Those born on the 3rd, 12th, 21st and 30th in any month}**

You must try to restrain from speaking out too loud against something you are not agreeable to; maybe a more diplomatic approach could save the situation, as you may not want to close the doors completely. Make proper utility of your time since you could be in demand. A partner could make you feel important.

Lucky Days: Monday and Thursday.

**Number 4 {URANUS} {Those born on the 4th, 13th, 22nd and 31st in any month}**

A false start should not take the wind out of you; there would be many more opportunities for amendments.

Do not get disoriented in the face of criticism; especially when it is coming from someone you least expected it from. Maybe you could make constructive use of it?

Lucky Days: Sunday, Tuesday and Wednesday

**Number 5 {MERCURY} {those born on the 5th, 14th and 23rd in any month}**

You know that if you stand still, you would get the answers to most posers; so try to curb the tendency to rush into things, haste usually makes waste.

A clearer picture could facilitate increasing the speed and tempo a little later, so do not let the pace-maker upset your rhythm.  
Lucky Days: Thursday.

**Number 6 {VENUS} {those born on the 6th, 15th and 24th in any month}**

If you do not allow negativity to set in, there is plenty to celebrate about; sometimes we fear more

than we should, and subsequently the fear factor could sometimes be more terrible than the consequence we'd imagined. Once you are back in the groove, there would be lot of fun and entertainment back to where it belonged: you.

Lucky Days: Monday and Thursday.

**Number 7 {NEPTUNE} {those born on the 7th, 16th and 25th in any month}**

You do get affected when people fail to react when you expect them to, but you know your worth, and if you learn to control your restless disposition, your work {and worth} will speak for itself.

Giving time to yourself and enjoying the solidarity could bring you immense pleasure; so what are you waiting for?  
Lucky Days: Sunday, Tuesday and Wednesday

**Number 8 {SATURN} {those born on the 8th, 17th and 26th in**

**any month}**

You could be at your optimistic best, and thinking so clearly and positively can actually win you half the race. A good offer could be somewhere around, and if it seems all right, even logically, then you should take it up seriously; maybe it is something you have been waiting for.

Lucky Days: Monday, Tuesday and Thursday.

**Number 9 {MARS} {those born on the 9th, 18th and 27th in any month}**

Your rational approach towards a particular deal could bear fruit, and so it is the way to go, chum. Being impulsive has usually made matters worse, so try to retain this game-plan. You would surprisingly find time for romance, and can use your charm and charisma well in the final analysis. After all, 'All is well that ends well'. Well...  
Lucky Days: Monday and Thursday.
