

New Huawei P20 Series Brings The Mobile Photography Revolution To Canada

Critically Acclaimed Phones With Triple-Lens Leica Camera Are Now Available For Purchase

HUAWEI Canada has launched the critically acclaimed, HUAWEI P20, HUAWEI P20 Pro and HUAWEI P20 lite. The units are now available with Canadian operators - effective May 17th.

Last Thursday, media were invited to the launch of the phones at Billy Bishop Airport in Toronto and given a chance to take pictures with the mobiles while on a thrilling flight over Toronto.

The HUAWEI P20 Pro features the world's first triple-lens Leica camera. Both the P20 and P20 Pro devices include unprecedented AI advances, combining technology and art to bring to life a groundbreaking smartphone experience for consumers.

The HUAWEI P20 made its debut at a global launch in Paris in March. In the past few weeks, the HUAWEI P20 has earned rave reviews for its performance and incredible photography capabilities.

For the second straight year, the Technical Image Press Association (TIPA) has named HUAWEI as the world's best photography handset with the HUAWEI P20 Pro named as the "Best Photo Smartphone of 2018".

The HUAWEI P20 Pro and HUAWEI P20 also achieved the two highest total scores ever received for smartphones camera by DxO-Mark, the industry standard for camera and lens image quality measurements and ratings. The P20 Pro beat the competition in virtually every category, taking the number one spot in both Pho-
