Predictions for the week {24th June to 30th June 2018}

Number 1 {SUN} {Those born on the 1st, 10th, 19th and 28th in any month}

Mental agony due to past conflicts can be resolved if you want to look for 'peace' and not 'piece'. Growth and progress can be achieved faster if the mind is relaxed, instead of running after inconsequential honky dory matters. So turn the old chapter, to {b}ring in the new.

Lucky Days: Monday, Thursday and Friday.

Number 2 {MOON} {Those born on the 2nd, 11th, 20th and 29th in any month}

Those who are single or lonely, may crave for company, and may even find it at the least expected place. But to do this much, you must know the art of 'advertising', without being too showy. Life may appear to be on a faster lane, for the week in question at least. So instead of complaining, enjoy the fast

paced, breezy surroundings.

Lucky Days: Monday, Thursday and Friday.

Number 3 {JUPITER} {Those born on the 3rd, 12th, 21st and 30th in any month}

Some of your plans may fall right in place, as per your expectations.

Your ability to forgive may raise few eyebrows, but the plus point is that it vindicates your position of authority, and justifies the justice you possess. Health needs to be monitored more closely than you ever do especially your lungs, throat or chest.

Lucky Days: Sunday, Wednesday and Saturday.

Number 4 {URANUS} {Those born on the 4th, 13th, 22nd and 31st in any month}

In making decisions, you could be energetic, swift, strong and assertive, which is a good thing, provided you have rehearsed and understood the game-plan well. Half-way through from such a position, do

not turn back if detractors have expressed ignorance; forgive them instead for not being as inventive as you. You don't want more competition, anyway, do you?

Lucky Days: Monday, Thursday and Friday.

Number 5 {MERCURY} {those born on the 5th, 14th and 23rd in any month}

You may appear to be more calm and collective than you would want to, confusing others to think that all's not well with you. You should try to clear doubts of loved ones who would get tensed and apprehensive.

Don't hold yourself back any invitation, as you need the society as much as it needs you.

Lucky Days: Thursday.

Number 6 {VENUS} {those born on the 6th, 15th and 24th in any month}

To provide a more solid foundation in a relationship, you could be required to chip in substantially from your side. But then, you are

one of the biggest beneficiaries, especially if you want reconciliation in the first place. If you manage to put your ego to rest, there is a lot of things you would be able to relish, comradeship being one of them.

Lucky Days: Sunday, Wednesday and Saturday.

Number 7 {NEPTUNE} {those born on the 7th, 16th and 25th in any month}

A spiritual leaning can usher in hope and expectation, giving you fresh impetuous in solving the complexities of life. You need to take a step further and encourage your fellow-beings to take advantage of alternate therapies like yoga, meditation, reiki etc. Though for some No 3's, work is meditation! Finances could also get better, what with you having worked towards it in the past.

Lucky Days: Monday, Thursday and Friday.

Number 8 {SATURN} {those born on the 8th, 17th and 26th in

any month}

Fighting for your rights is a good thing, only, it's probably not the proper way; the manner you do it is so very important, a wrong chord can even spoil the best music in the world. If you do feel low, down and out, then you must resort to some stimulation like chilling out with friends. Kyunki Har Ek Friend zaroori hota hai! Health this week may depend more on your mental outlook. So 'B+ve'!

Lucky Days: Sunday and Thursday.

Number 9 {MARS} {those born on the 9th, 18th and 27th in any month}

You have the ability to motivate others with your spirit and bravado; however it would do you a world of good if you learn to master the art of conquering impatience. In matters of finance, if you do not go for wild-cat or get-rich-quick schemes, there should not be much to fear.

Lucky Days: Sunday, Wednesday and Saturday.
