Predictions for the week {05th August to 11th August 2018}

Number 1 {SUN}: {Those born on the 1st, 10th, 19th and 28th in any month}

Try not to depend too much on others, and being independent would give you the autonomy to decide your plan of action.

Agreed that being a One Man Army has its pitfalls, but just think about it, if you make it, you would share the spoils with only yourself.

Playing main lead is what Mars, your Ruler has blessed you with, and so you would fare better when calling the shots, in positions of authority.

Lucky Days: Tuesday, Friday and Saturday.

Number 2 {MOON} {Those born on the 2nd, 11th, 20th and 29th in any month}

If you think someone close is unfair towards you, do not be too spiteful; it could impair long term

relations, which usually takes a lot of effort to mend. Even if everyone says you don't stand a chance, don't give up on your dreams. Life rewards those who persevere.

Lucky Days: Tuesday, Friday and Saturday.

Number 3 {JUPITER} {Those born on the 3rd, 12th, 21st and 30th in any month}

Feeling absorbed with work, you could lust for a little more diversion towards amusement and pleasure.

'Only if work was less demanding', is what could be on your mind, but, hey, inactivity could at times be fatal.

So the best solution could mean finding pleasure in work, how you do it is what should be your concern.

Lucky Days: Monday and Thursday.

Number 4 {URANUS} {Those born on the 4th, 13th, 22nd and 31st in any month}

The Sun has been shining, all you

have to do is to go out, and experience the glow; a little more of the outdoor activities may help revitalize the pent up energy.

It is a positive period to make best of the environment, all the medicines in the world cannot match the power of nature's wonderful cure, so chill, oops, bask in the natural glory.

Lucky Days: Tuesday, Friday and Saturday.

Number 5 {MERCURY} {those born on the 5th, 14th and 23rd in any month}

You would want more breathing space for yourself, feeling cramped by those thronging you. But just imagine how lonely life would have been, without them if they wouldn't be around. If you were marooned in some island, you could crave and yearn for these very people! Those who freely give love and kindness are always recipients, of them, sooner or little later.

Lucky Days: Sunday and Monday.

Number 6 {VENUS} {those born on the 6th, 15th and 24th in any month}

An upbeat time ahead summons you, so go all out firing with all cylinders. You could hit the mark with unusual gestures and ideas, if you use a little more conventional and practical approach. Finance would come, and as usual, go; it is one department you need to focus intently.

Lucky Days: Monday and Thursday.

Number 7 {NEPTUNE} {those born on the 7th, 16th and 25th in any month}

Feeling motivated with the taste of victory, however small, is a wonderful thing. Now that you are recharged, you should go all out in full zest. Get ready to get noticed; but don't ignore your family.

Lucky Days: Tuesday, Friday and Saturday.

Number 8 {SATURN} {those born on the 8th, 17th and 26th in any month}

any month}

Be wary of putting all eggs in one basket; and try to be a little more careful with being showy about the materialistic things, as you could be misunderstood as richer than you are. Enjoying the beauty and the luxury is fine, if you try to keep it to yourself. The good news is that complicated things at the work front could get a little simpler.

Lucky Days: Sunday, Monday and Friday.

Number 9 {MARS} {those born on the 9th, 18th and 27th in any month}

Life could be very hectic, which is why you would not have time for depression to set in, so trudge on with this incentive.

But do try to reserve a little time for spirituality and thanking Mother Nature for its wonders. Faith is a gift from God that He makes available to anyone who wants it.

Lucky Days: Monday and Thursday.
