Predictions for the week {02nd December to 08th December 2018}

Number 1 {SUN}: {Those born on the 1st, 10th, 19th and 28th in any month}
Complacency does set in with the best of people; but the week in question could be quite exciting and eventful, and so you must try to focus all the energies constructively. As you find yourself closer to the finish, you understand the strings attached when in a position of responsibility and trust. 'It's not the time to disco!'
Lucky Days: Sunday and Friday.

Number 2 {MOON}: {Those born on the 2nd, 11th, 20th and 29th in any month}
The spotlight this week should be on love, friendship and social responsibilities; you know what all work and no play can lead to.
If you can break the monotony, you will find enough solace in your

personal life. Love life could get more spirited. After all, we live once, don't we?
Lucky Days: Sunday and Friday.

Number 3 {JUPITER}: {Those born on the 3rd, 12th, 21st and 30th in any month}
Numbers speak volumes, and as far as you Neptune ruled persons are concerned, ambition to succeed is one of your primary goals. Few people around you realize that this desire is more from the fear of being under obligation, than toward material accumulation. A different approach could expose more avenues.
Lucky Days: Monday and Thursday.

Number 4 {URANUS}: {Those born on the 4th, 13th, 22nd and 31st in any month}
A penchant for being original, your on-the-spot innuendoes have impressed the biggest of critics, too. Time and again, your abilities have been tested, and with your stubborn demeanor, you have man-

aged to pass muster with absolute poise, even if the credit came rather slowly. Carry on, with the same fervor!
Lucky Days: Sunday and Friday.

Number 5 {MERCURY}: {those born on the 5th, 14th and 23rd in any month}
Mental stimulation always recharges you Mercury ruled guys; what may appear to you as a healthy debate may look to others a 'war of words'.
A more unassuming approach could help you convince your opponent; so if there are bridges to be built in your personal areas, this could be one of the best times.
Lucky Days: Wednesday and Thursday.

Number 6 {VENUS}: {those born on the 6th, 15th and 24th in any month}
Avoid feeling guilty if your thoughts stray towards the good things of life, be it love, lust or luxury. Let's face it; desire is some-

thing 'you' can hardly resist, so there is no point beating about the bush! As it is, its desire, which helps push you forward, be it discovering new ideas and philosophies, career, relationships or other material objects. A person without a dream has hardly anything to look forward to.
Lucky Days: Monday and Thursday.

Number 7 {NEPTUNE}: {those born on the 7th, 16th and 25th in any month}
If you learn to implement your creative ideas, multi-tasking can get you success, name and fame, your dreams can turn into realities; your versatility speaks volumes.
Cut out your tasks, and try to go stage by stage, rather than trying to do too many things at one go. Go!
Lucky Days: Sunday and Friday.

Number 8 {SATURN}: {those born on the 8th, 17th and 26th in any month}
If you may have gone through calamity or character-assassination

in the past, and may have been helpless in terms of defending yourself, due to you being misunderstood, then this is the time to clear your name.

Controversies do affect the best of people, but the redeeming part is that running in hurdles, our legs do get stronger. A normal race champion cannot deliver in a hurdle race, can he?
Lucky Days: Monday, Wednesday and Thursday.

Number 9 {MARS}: {those born on the 9th, 18th and 27th in any month}
Maintaining a low profile may appear a little too difficult for you Sun governed citizens, as you very much like to be in the thick of things. But sometimes silence speaks more than a thousand words.
Your USP is that at least your intent is honest; your candid, straight forward appearance makes up for your forth-rightness.
Lucky Days: Monday and Thursday.
