Predictions for the week {09th December to 14th December 2018}

**Number 1 {SUN}: {Those born on the 1st, 10th, 19th and 28th in any month}**

There could be a semblance of chance that despite some of your best efforts to reconcile with a broken relation, you may have to eat the humble pie; at least for now.

Time heals like nothing else, and is the best medicine; hope knows no boundaries. Meanwhile, there are so many other things which could be of much significance.

Lucky Days: Monday and Tuesday.

**Number 2 {MOON} {Those born on the 2nd, 11th, 20th and 29th in any month}**

The Numbers do suggest that there will be good health and harmony, so a good time to go to the next level. An extra bit of effort would take you zooming ahead, a cake-walk, as far as your plans and ideas are concerned. However, do

not neglect loved ones, try not to cut the cake and eat it too...

Lucky Days: Monday and Tuesday.

**Number 3 {JUPITER} {Those born on the 3rd, 12th, 21st and 30th in any month}**

You may expect to be in the 'hot-seat', but don't try to take the entire load onto yourself! So only take on what you are comfortable in achieving. It's not always true that walking that extra mile would only benefit you, especially if the direction you are walking in is incorrect!

Lucky Days: Sunday and Wednesday.

**Number 4 {URANUS} {Those born on the 4th, 13th, 22nd and 31st in any month}**

You have been listening more to your heart than your head, and this can give you momentary relief; but in the long run, a more practical approach, at least in more serious aspects, need to be taken.

Health has been seemingly ig-

nored, and so you must get more strong-willed, and work out on this aspect a bit. Alternate therapies are best suited, in your case, so it could help in preventing what may later have to be cured.

Lucky Days: Monday and Tuesday.

**Number 5 {MERCURY} {those born on the 5th, 14th and 23rd in any month}**

Restructuring your finances is something what you have wanted to do since long, even if the good things of life do attract you a little too often. A nest egg wouldn't take away a lot from your current standard of living, so start before it gets a little too late.

Lucky Days: Friday and Saturday.

**Number 6 {VENUS} {those born on the 6th, 15th and 24th in any month}**

You should try to take up any new project coming your way. If you are on the look-out, plans to-

wards working on a holiday may take shape.

Your stubborn and painstaking way of functioning will enable you to complete any task you undertake, you know, sooner or later perseverance pays. After running through so many hurdles, you know the importance of running in the proper direction.

Lucky Days: Sunday and Wednesday.

**Number 7 {NEPTUNE} {those born on the 7th, 16th and 25th in any month}**

Differences with seniors could spiral if you are not going to make an effort to control the 'emotional' side of your disposition. Networking usually comes easy to you, as you like to be amidst people. So go out and please all with your charm, it shall not be too difficult in your case, as beauty and brains are both on your side. Lucky Days: Monday and Tuesday.

**Number 8 {SATURN} {those**

**born on the 8th, 17th and 26th in any month}**

Being impulsive has usually made matters worse, so try not to fall for the same trap. Your rational approach towards a personal matter could bear fruit, it's likely that others would begin to believe and trust your judgment. You would surprisingly find time for romance, and can use your charm and charisma well in the final analysis.

Lucky Days: Monday, Wednesday and Friday.

**Number 9 {MARS} {those born on the 9th, 18th and 27th in any month}**

A false start should not take the wind out of you; worry not, as there would be many more opportunities for amendments. Do not get disjointed in the face of criticism; especially when it is coming from someone you least expected it from. On the contrary, trust and love them for being so brutally truthful.

Lucky Days: Sunday and Wednesday.
