Predictions for the week {16th December to 22nd December 2018}

Number 1 {SUN}: {Those born on the 1st, 10th, 19th and 28th in any month}

Those in the field of communication should throw caution to the wind; step up the pedal and surge ahead with their gem of ideas.

Playing main lead is what Mars; the symbol of energy has blessed you with, so you would fare better in positions of authority.

Lucky Days: Sunday, Wednesday and Thursday.

Number 2 {MOON} {Those born on the 2nd, 11th, 20th and 29th in any month}

Feeling absorbed with work, you could lust for a little more diversion towards amusement and pleasure.

'Only if work was less demanding', is what could be on your mind, but, hey, inactivity could at times be fatal.

So the best solution could mean finding pleasure in work, how you

do it is what should be your concern.

Lucky Days: Sunday, Wednesday and Thursday.

Number 3 {JUPITER} {Those born on the 3rd, 12th, 21st and 30th in any month}

Try to make settlements in financial disputes, even if you have to be a little more 'giving'; in the long run, you do not want to be engaged in spending more of your precious time in battling for pennies, and losing pounds in the bargain; you know, your time is money!

Belief in Karmas could answer many of your posers.

Lucky Days: Tuesday and Friday.

Number 4 {URANUS} {Those born on the 4th, 13th, 22nd and 31st in any month}

If you think someone close is unfair towards you, do not be too spiteful; it could impair long term relations, which usually takes a lot of effort to mend.

Even if everyone says you don't stand a chance, don't give up on your dreams. Life rewards those who persevere.

Lucky Days: Sunday, Wednesday and Thursday.

Number 5 {MERCURY} {those born on the 5th, 14th and 23rd in any month}

On the positive note, the Sun has been shining, all you have to do is to go out, and experience the glow; a little more of the outdoor activities may help revitalize the pent up energy.

It is an upbeat period to make best of, all the medicines in the world cannot match the power of nature's wonderful cure.

Lucky Days: Friday.

Number 6 {VENUS} {those born on the 6th, 15th and 24th in any month}

Be wary of putting all eggs in one basket; and try to be a little more careful with being showy about the

materialistic things, as you could be misunderstood as richer than you are. Enjoying the beauty and the luxury is fine, if you try to keep it to yourself.

The better news is that complicated things at the work front could get a little simpler.

Lucky Days: Tuesday and Friday.

Number 7 {NEPTUNE} {those born on the 7th, 16th and 25th in any month}

A bubbly week ahead, so go all out firing with all cylinders. You could hit the mark with your unusual gestures and ideas, if you use a little more conventional and practical approach.

Finance would come, and as usual, go; it one department you need to focus more intently on.

Lucky Days: Sunday, Wednesday and Thursday.

Number 8 {SATURN} {those born on the 8th, 17th and 26th in any month}

Life could be very hectic, which is why you would not have time for depression to set in, so trudge on with this incentive. Finances shouldn't be a holdup.

But do try to reserve a little time for spirituality and thanking Mother Nature for its wonders. Faith is a gift from God that He makes available to anyone who wants it.

Lucky Days: Wednesday and Friday.

Number 9 {MARS} {those born on the 9th, 18th and 27th in any month}

You would want more breathing space for yourself, feeling cramped by those thronging you. But just imagine how lonely life would have been, without them if they wouldn't be around.

If you were lost in outer space, you could crave and yearn for these very people! Those who freely give love and kindness are always recipients, of them, sooner or little later.

Lucky Days: Tuesday and Friday.
