

Tips On Ride Sharing Safety

Are you saying yes to quick and easy transit without having to wait for the bus? Rideshare has quickly become the go-to form of transportation for many people who do not drive.

With no exchange of money, you can simply jump in and away you go. WAIT! This is where we need to slow things down; getting into the first car that stops when you're waiting outside could spell disaster, putting yourself into an unsafe situation.

There is no need to be left sitting in the backseat of a car wondering if it's the correct vehicle, or in the passenger's seat with the driver suddenly feeling too close for comfort. Here are some good tips:

- Before Entering the Vehicle:**
1. Share your travel details with a friend or family member.
 2. Know and confirm your driver's name and car details (licence plate and car type).
 3. Ask the driver who the vehicle is for and where it is going. DO NOT begin with "is this vehicle for..."
- Inside the Vehicle:**
1. Select to sit in the backseat.
 2. Stay alert and aware of your surroundings- Track your route, and keep your personal information private.
- DO NOT accept rides from drivers claiming to be a part of the program. Do not hesitate to call 911 should you feel threatened.

MPP Deepak Anand Holds A Christmas Open House

MISSISSAUGA: MPP Deepak Anand held a Christmas Open House at his Community Office on Saturday. The event was free and open to the public, and provided an occasion to bring together members of the Mississauga- Malton Community to celebrate the holiday season with some Christmas cheer.

The open house allowed for members of the community to mingle and share the holiday spirit, while enjoying hot chocolate and festive treats. It also offered an opportunity for community members to engage in open conversation with MPP Anand and become familiar with the new Constituency office space.

In the spirit of the season, constituents were encouraged to bring new/unworn

clothing items such as socks and underclothes for our Blessing Bags that will be given to a local charity.

MPP Deepak Anand said he all those who came to the open house enjoyed their time and looks forward to meeting those who were unable to make it. He wishes everyone a Merry Christmas, Happy Holidays and a Happy New Year.

Note: The MPP office will be collecting new/unused underclothes and socks for the Blessing Bags initiative until January 15th 2019. Items can be dropped off between 9am-5pm at the address given below. For questions or information, contact MPP Deepak Anand at Deepak.Anand@pc.ola.org.
