

Young Artists Invited For 'Now Streaming' Exhibition

MISSISSAUGA: Visual Arts Mississauga (VAM) at Riverwood is shining the spotlight on young emerging visual artists! VAM is inviting artists aged 18 – 29, working in the Greater Toronto Hamilton Area to submit to its upcoming exhibition, *Now Streaming*.

Now Streaming will support emerging artists working in experimental processes using a combination of traditional and new media. *Now Streaming* is proudly sponsored by TD Bank and Modern Mississauga.

The new exhibition will be on display from February 4, 2019 to February 17, 2019. All are welcome to the public Opening Reception to be held on Friday, February 8 at 7 p.m. The VAM Gallery is located at 4170 Riverwood Park Lane in Mississauga.

Now Streaming is hosted by VAM's new Creative Residency (VCR) comprised of four emerging youth artists. Supported by the Community Foundation of Mississauga, this collective is an opportunity for emerging youth artists in Mississauga to participate in a 6 month exhibitions pro-

gram with a focus on mentorship and professional development.

“Co-curated by VAM’s Creative Residency, *Now Streaming* is an opportunity for this collective to collaborate with their creative peers in the region,” explains VAM Exhibitions and Events Coordinator Eldiana Begovic.

“The exhibition is a platform for young and innovative artists to showcase their skill and practice. We are always excited to see

what they come up with.”

DEADLINE TO APPLY IS WEDNESDAY, JANUARY 16, 2019 at 5 pm. There is no entry fee. VAM will present prizes for 1st, 2nd and 3rd place at the Opening Reception on Friday, February 8 at 7 pm. Submission details can be found at visualartsmississauga.com under the ‘Exhibitions’ tab.

VAM is located at 4170 Riverwood Park Lane in Mississauga. Please call 905-277-

4313 or visit <http://www.visualartsmississauga.com> for more. Follow VAM on Twitter @VisualArtsMiss, on Instagram @visualartsmississauga and Facebook.

Reduce, Reuse And Recycle Right During Holiday Season

TORONTO: The holiday season is around the corner and many Toronto residents are thinking about gift-giving and social events. While these holiday traditions are a cherished part of the season for many residents, they often result in a large increase in the amount of waste managed by the City of Toronto, in particular single-use items such as plastic cups, cutlery, napkins and plates.

As residents prepare for Black Friday, Cyber Monday and holiday celebrations, the City encourages them to be mindful of the amount of waste they generate. Small changes to reduce waste, such as using reusable plates, cutlery and cloth napkins for a holiday event, can make a difference.

Promoting a culture of waste reduction and reuse is part of the City’s Long Term Waste Management Strategy. Reducing waste over the holidays is critical to achieve the City’s zero waste goal to reduce the amount of waste going to landfill.

The City offers the following tips to help residents reduce and reuse during the holidays:

- Make memories, not waste by giving the gift of an experience with tickets, classes or a getaway.
- Donate to a charity, adopt a tree or sponsor an animal on behalf of a loved one.
- Save gift wrap, ribbon and bows each year to use over and over again.
- Bring reusable bags when shopping over the holiday season to reduce the use

of single-use plastic bags.

It is also important to ensure holiday waste is put in its proper place. Putting this waste in the wrong place leads to contamination in the Blue Bin (recycling), which ruins other recyclable items and makes them unacceptable for recycling.

Tips to recycle over the holidays:

- Empty and rinse recyclables such as aluminum roasting pans and tins, plastic plates and cups before placing them in the Blue Bin

- Paper wrap, flattened cardboard and rinsed plastic plates and plastic cups (except black plastic) also go in the Blue Bin (recycling).

- Foil/metallic wrapping paper, ribbons, bows, bubble wrap, bubble envelopes, packing peanuts (foam pellets) and fruit crates go in the garbage.

- All food scraps as well as soiled paper napkins and paper plates go in the Green Bin (organics).
