Predictions for the week {23rd December to 29th December 2018}

**Number 1 {SUN}: {Those born on the 1st, 10th, 19th and 28th in any month}**

It's time to perhaps withdraw a bit, rather becoming a martyr for someone who may not be so worth it; many a time, silence is golden. Rather than getting muddled up, wait for your time, come it will.

Keep your stamina for the launch, which could be around the corner, timing is so crucial in life's tricky race.

Lucky Days: Tuesday, Friday and Saturday.

**Number 2 {MOON} {Those born on the 2nd, 11th, 20th and 29th in any month}**

Your serious approach towards your priorities could make you appear to be reserved and aloof; you don't need any of that if you want to gain in the popularity chart.

Try to lace humor, even if satirical, as in today's competitive world, fun and frolic is what people like.

Lucky Days: Tuesday, Friday and Saturday.

**Number 3 {JUPITER} {Those born on the 3rd, 12th, 21st and 30th in any month}**

Not the one to complain when it comes to travel, many of you could pack your bags at a moment's notice.

Your penchant for adventure is a part of a restlessness which is an integral part of your disposition. Your knowledge about far off lands could come in handy.

Lucky Days: Monday and Thursday.

**Number 4 {URANUS} {Those born on the 4th, 13th, 22nd and 31st in any month}**

Many of you are most of the times, more than generous; it's ok if you would be remembered for

it nobly, but you need to keep an eye for sycophants, who would hover around you for your pound of flesh.

On the personal front, if some loved one is evasive; don't panic, as it could just be a passing phase.

Lucky Days: Tuesday, Friday and Saturday.

**Number 5 {MERCURY} {those born on the 5th, 14th and 23rd in any month}**

Those of you who are in a relationship may tend to get too involved and possessive. But remember, nothing lasts forever, so try not to keep expectations which maybe sky-high, in order to avoid disappointment.

Expect a storm if there has been a lull; this may not even ring true, but to be fore-warned is being fore-armed. {Read: four-armed!}  
Lucky Days: Sunday and Monday.

**Number 6 {VENUS} {those born on the 6th, 15th and 24th**

**in any month}**

Class does matter to you, when you choose friends, as you would hate vulgar people. But try not to lose the select band of friends that have been an intrinsic part of you.

You must adore and admire them for being able to 'put up' with your novel way of thinking.

Lucky Days: Monday and Thursday.

**Number 7 {NEPTUNE} {those born on the 7th, 16th and 25th in any month}**

Finances have hardly put you in a bother; sooner or later, you do get what you want; hence the needless worry is quite uncalled for. Sooner or later, you are likely to get prominence, what with your painstaking, hard working, and enterprising nature, for you work is indeed worship.

Lucky Days: Tuesday, Friday and Saturday.

**Number 8 {SATURN} {those**

**born on the 8th, 17th and 26th in any month}**

Most of you ruled by the dreamy and imaginative Moon have good tastes when it comes to creativity; being sensitive could however be a liability in today's materialistic world. If you have it, then flaunt it! Jo dikh ta hai, wohi bikhta hai!

Lucky Days: Sunday, Monday and Friday.

**Number 9 {MARS} {those born on the 9th, 18th and 27th in any month}**

Pristine and sure about your views, you love to put your foot down when faced with opposition; however, sometimes destiny has better things packaged differently, wherein the end result could be even sweeter than you envisaged.

Over thinking may often mislead us into taking the wrong direction, so let your hair a little loose when you can.

Lucky Days: Monday and Thursday.
