They'll Talk About for Years

# 神韻晚會 2019 SHEN YUN

**Artists** in almost every culture throughout history looked to the divine for inspiration. Art was meant to uplift, bringing joy and renewal to those who created and experienced it.

In ancient China, as part of mastering their craft, artists also cultivated inner purity and goodness. Today, Shen Yun's artists carry on this noble tradition, incorporating study of traditional culture and meditation into their rigorous daily training. This spiritual connection is the heart behind each dance movement and each musical note. It is why audiences feel there is something different about Shen Yun, something deeply heartening that continues to resound long after the performance.
