2019=3, Jupiter-Biggest, denotes Wealth & Prosperity but still write '19 not 2019

In our New-Year story for the last 3 years we had predicted something nobody had even passed a fleeting reference- the weather! While we had said 2016=9, Mars that is fiery Red, so shall be one of the hottest years. Ditto was said of 2017=1, Sun that's fiery too!

The global heat record had been broken & each month was the hottest recorded month in history! But for 2018, our take was that though we will still have to pay the price of Global Warming, the redeeming part is 2018=2 (Moon), so we may expect some respite from the rising temperatures as Moon is Lunar, not Solar.

In fact many countries witnessed cold-waves & it didn't turn out to be as hot as '16 & '17!

But 2019=3, Jupiter that's gaseous & has heavy rains, is basically turbulent, stormy, whirl-pool of wind. One can conclude a windy & stormy year beckoning us! Expect the weather Gods to be extreme!

No 3's are often susceptible to health issues pertaining to breathing apparatus; colds, coughs, asthma's & in worst case, Tuberculosis or lung infections are the grey areas for No 3's & for us all to watch out for, generally speaking, in 2019 (3). 3, Jupiter is the largest planet in the solar system, and is nearest in comparison with the Sun in regard to its size.

Also known as Guru (Teacher) or 'Brihaspati', Jupiter rules over the two signs of the zodiac - Sagittarius and Pisces.

In Astrology Jupiter is said to be the planet of wealth & prosperity & is one of the most giving of them all, Kind & Large-hearted.

Which is good news, considering the world markets were reeling & Turbulent in 2018 which was again predicted in our last years story.

Presenting some lines from the 2018 synopsis- '2018=11, the meaning of No 11 in Numerology is- 'This is an ominous number that gives warning of hidden dangers, trial, and treachery from others and of a person who will have great difficulties to contend against. The world economy could be turbulent with the stock indices swinging crazily...' Citing the traits of 2, Moon that's dreamy, romantic & creative we were bang-on about Bollywood having a great year saying- 'Moon lends gift of imagination, and creativity; hence, most No 2 people are very 'gifted' and talented.

Many songs in Bollywood have been inspired, and pictured on the Moon, which also makes a person dreamy & romantic. Bollywood could also expect to have a field year. Trade experts are of the opinion too that 2018 was arguably the best year in a decade!

HINDI FILMS that did well in 2018...

3. #Raid 4. #Baaghi2
5. #Raazi 6. #Race3

While the year end has two Potential Hits too, Zero & Simmba. 2 Actors who had a great year have been followers of Numerology, Rajkumar Rao & Ayushmann Khurrana both who entered the elite 100 Crores clubs! 2018 being romantic year (2, Moon) also saw many B'wood marriages, 2 of which were predicted by us- Priyanka Chopra/Nick Jonas & Deepika/Ranveer!

While PeeCee who was tipped to marry when she's 36 by us 13 years ago in Filmfare, (you may google to read the same) she's now using her name as Priyanka Chopra Jonas following our suggestion too!

On the other hand, during Ranveer's B'day we predicted his marriage with Deepika.

Coming back to the year in question, 2019, according to Numerology the depression world markets had been witnessing could recede, even if gradually, particularly for India that adds to 3, Jupiter or Bharat, 6 (Venus) as 3,6,9 is a family & we are in our 72nd (9, Mars) year of Independence!

2019=12, India adds to 12 too, an octave of 3 known for sacrifice, whereas Bharat adds to 15 (6), a more peaceful & prosperous form of 6.

Hence we had said many a times that Bharat will be better for us if changed officially
Write '19 and not 2019!

As 19 is a very powerful octave of Number 1, Sun. It has both the pillars of the Numbers game, 1 & 9! While 2019=12 denoting sacrifices for others!
Why India shall shine in the Number 3 year!

3-6-9, a family has helped India (3) or Bharat (6) not only get us Independence in 1947 (3) on 15th (6) Aug but also bag a lot of triumphs.

Our first World Cup was picked in 1983 (3), then 2007 (9) our first & only T-20 Cup and finally, 1986 (6) & 2010 (3), Asia Cups were picked too! Our last World Cup that we won (as predicted) in 2011 too, had most 'Dates' apparently 'Fixed'.

Almost all matches we played were on 3,6,9 Dates!
4/5 closest ODI victories were on dates adding to 3-6-9 Hoping to have a good World Cup in 2019 too!

Both No 6's, A R Rehman & Kapil Dev, (both 6/01 & both names adding to 3) made us proud, one with an Oscar, the other with our 1st World Cup. Sachin, (24/4) our Kohinoor, is a double No 6 too

India is in it's 72nd Year since Independence & 72 adds to '9'. '9' is more compatible with Numbers '3' & '6'. As India adds to 3, this year can be considered a favourable one as per numerology

Flashback-In 2008 when the world was in financial turmoil, India in its 63rd (9) Year was least affected! On the other contrary, we had the likes of Obamas & Sarkozys visiting us for the first time ever during the period of Global recession!

The latter half of the 72nd year (9) falls in 2019 (3). Hence we predicted the second half of our 72nd year to be even better as 9 would coincide with 3! Keep your eyes & ears wide open, Economists Any of those without a job can finally get occupied in the year of 3, Jupiter; times change too, bad-luck also gets bored with the same person for long Bharat is all set to raise the bar in progressive terms!

And we are not only talking about Salman Khan's upcoming flick, Bharat And yes, I agree with. Fellow-Virgo (NAMO) who claims Bharat will be a 'One Ki Chhidiya' till 2022 as 2022 gives us 6, Venus again

Number 3 Characteristics-

Number 3 persons are mostly proud; they dislike being under obligation to others, as they are quite independent and self-sufficient.

Known to be ambitious & hard-working, ready to sacrifice while taking charge, in 3 words, No 3's are usually 'zero-to-hero'!

They are never satisfied with 'ordinary' or 'subordinate' positions but their aim is to rise in the world above the conditions that they were born in & to have control and authority over others. They excel in the execution of commands, being orderly and disciplined, and can gracefully obey orders, but they also insist on having their own orders obeyed!

Their weakness is that they are stubborn and dictatorial in carrying out their ideas, and for this reason, although not quarrelsome by nature, they succeed in sometimes making enemies.

Blame it on Jupiter, the largest planet
No 3's are hardly cash strapped, and if they do have difficulty with cash sometimes, there is some or the other source available to fulfill their demands! Therefore when women who HAVE TO deliver caesarian, we strongly recommend them to go for dates such as the 3rd, 12th, 21st or 30th, as the No 3 person would not only be lucky for themselves, but also for the family.

One should in fact try to take them as a partner in business, as their luck could rub off on other partners also.

Some industries that could do well in 2019 would be those in commerce, business and trading, imports & exports, investments, share markets, (disclaimer to gamblers!) banking, money-lenders, insurance or in any line of work where there is flow of solid or liquid cash, (forex) those in liaison fields, brokers, consultants & industries where it is desired to help others, and incidentally help themselves, like a doctor, lawyer, chartered accountants, fields of astrology & those in religious ceremonies, NGO's & Social organisations etc.

Gold is likely not to glitter too much; invest in it only if for long-term!

Lucky colors: The Lucky colors for 2019 are purple, violet, yellow, blue, pink & a little red.

2019 could be a good year particularly for Aquarius, Pisces, Librans, Sagittarius and Capricorn born & those who have their primary numbers (sum of first two digits of DOB) as 3,6, 8 or 9.

Like those born on the 3rd, 12th, 21st, 30th & No 6, Venus ruled are persons born on the 6th, 15th & 24th in any month, and of 8, Saturn are those born on the 8th, 17th & 26th and 9, Mars governed are persons born on the 9th, 18th & 27th in any month.

And as said every year, some others to do well are those whose current age is same as their birth Number; like if you are born on the 1st, 10th, 19th or 28th in any month then all years adding to 1 could be eventful, like your 10th, 19th, 28th, 37th, 46th, 55th, 64th, 73rd years and so on.

For instance in 2018, Raj Kumar Hirani had the best time of his life while giving his biggest blockbuster #Sanju that grossed 500 Cr World-Wide!

Hirani is a No 2 not only in 2018=2, he was in his 56th (5+6=2) year too! Hero & youngest Player of the FIFA 2018 World Cup, Mbappe, a number 2 is in his 20th (2) year too!

No 2, Tiger Shroff (2/3/1990) has his best year so far in his 29th (2) as he gives his biggest grosser ever that's raced to the 160 Crores figure!

No 6, Ranveer Singh (06/07) in his 33rd (6) had his best year so far as predicted with Blockbuster #Padmaavat (our spellings) as he became the Youngest to enter the site 500 Crores club & recently won Best Actor for the same film too! Patthar Ke Sanam:

I would nominate Amethyst as the most Auspicious crystal this year; its the lucky gem that's good for all but particularly No 3's & 8's...or those under influence of Jupiter or Saturn...like those born in the Zodiacal Signs of Aquarius, Pisces, Libra, Sagittarius or Capricorn.
