Aries (March 21-April 20)

You may become a victim of the circumstances of your own making. Remaining self-centred is likely to rub someone close the wrong way. Differences with spouse may spill over into an ugly fight, if you are not careful. Don't make irresponsible statements, as they may get you into a tight corner.

Loss of money is indicated, so remain extra vigilant this week. A senior may threaten to spoil your report over a trivial matter. Health needs care.

Taurus (April 21-May 20)

This week, you may have the best of both the worlds. Professionally, you may bag a lucrative contract or get a cash cow. Personally, you will manage to remain in touch with your near and dear ones, and plan a get together too. Meet old acquaintances cannot be ruled out. Monetary loss during travel cannot be ruled out, so take care. Tension on the love front may escalate, if you remain your stubborn self. Avoid unnecessary mental tensions.

Gemini (May 21-June 21)

You may be full of ideas, but don't ram your suggestions down someone's throat, who is eager to do his or her own thing. If you are in the mood for some gossip, all you need to do is to visit the neighbourhood! Spouse is likely to take your opinion before embarking on something important. The more exhaustively you brief subordinates for a particular task at work, the more perfect will be the end result, remember that.

Cancer (June 22-July 22)

Be supportive in times of need or you may bear the brunt of a miffed spouse! Setting up a new establishment is on the cards. On the work front, this is a good time to focus on career planning. Networking will prove worth it on the academic front in getting a break. Don't be surprised, if someone who has a soft corner for you falls in love with you! You may become increasingly figure and physique conscious.

Leo (July 23-August 23)

Someone who seemed close previously may become distant, as differences grow. Don't promise anything you are incapable of delivering, as you can end up in hot soup.

Resetting your personal equations with someone close is warranted. At work, your expertise may come in handy this week. Romantic life promises to remain steady, as you take time out to meet lover. Don't overdraw on your credit card, as it may prove difficult to pay back. Health remains satisfactory.

Virgo (August 24-September 23)

If you get the chance invite someone over, who may be of help at a later date. Don't get too money-minded, as you may miss out on some good bargains. Something given up for lost is likely to reappear in a most unexpected manner. Things move according to plans on the professional front. Homemakers may find extra energy to cater to additional domestic chores. Chances of falling in love with a childhood sweetheart look bright for some!

Libra (September 24-October 23)

You remain focussed at work and deliver the best. Good time management will help you in setting a good daily routine. Excellent performance is likely to get you noticed on the academic front. Your helpful nature will be much appreciated in a social gathering. Money lent to someone will be returned without your giving a single reminder! You are likely to renew your ties with someone known you had met while travelling. Love life will remain satisfactory.

Scorpio (October 24-November 22)

If you get the right break, there is no stopping you. So, make efforts to get that break, even if it entails influencing people. You are likely to consolidate your position on the professional front. Rivals on the academic front may pose a challenge, but you will manage to outsmart them. Your popularity on the social front is assured, as you go out of your way to meet people. Family life runs smoothly and will prove most satisfying.

Sagittarius (November 23-December 21)

Getting on the wrong side of people is indicated if you are not careful. Your frustration level is likely to increase, as what you wish may not be granted. There is little you can do about someone who is bent upon dictating terms to you. You may remain mentally tensed. Money will not be a problem, but someone may regulate your spending it on yourself. A strained relationship with spouse may get you incommunicado with him or her. Health needs care.

Capricorn (December 22-January 21)

Someone with an attitudinal problem needs to be set right, but do so in a refined manner. Don't accept responsibility without authority, especially if you are required to deal with others. A decision on the academic front may prove favourable for you. Financially, you may experience a surge in your earnings. You maintain good health by being regular in your daily workouts. A responsibility on the home front may come on your shoulders, so discharge it satisfactorily.

Aquarius (January 22-February 19)

A promotion or some honour is on the offing on the professional front. You will manage to achieve what you had aimed for on the academic front. Moneywise, your position is likely to grow stronger. You are likely to gain some importance on the family front by interacting socially. A pleasurable evening is foreseen with lover on the romantic front. Healthy habits will help you maintain your present level of fitness. You get all round support.

Pisces (February 20-March 20)

Higher ups will show their appreciation for your good performance in an indirect way. Those in the marketing field may have to plan things much in advance. Your focus and a firm approach are likely to put a youngster on the right track on the academic front. A lucrative investment scheme may attract you, but don't take a hasty decision. You will have to find time for a family elder. Property owners may plan to dispose of their property.
