

## COMING SOON. 8-STOREY BOUTIQUE CONDO WITH PARK VIEWS.

For starters, my suite overlooks Downsview Park.

Gorgeous park views. How often do you get that?

Secondly, there's transit.

Just a hop, skip, and jump from my door.

That means I can get to work, school, shopping, and the city, in minutes. Go on, snooze a little longer.

And amenities... everything you would want and some more.

Also, did I mention, it's the sequel to a very successful first phase?

FROM THE LOW \$400'S.
