### Aries (March 21-April 20)

Confusion created by someone may spill over and get you involved. Keep your grace, even under grave provocation. Your ideas may have no takers at work and disappoint you. A family youngster may keep you worried. Spouse may not blindly follow your advice, so don't make an issue of it. Some imponderables are likely to stare in your face on the academic front. Loss is indicated on the monetary front. Health may become a source of worry.

### Taurus (April 21-May 20)

It is best to toe the line of someone calling the shots, if you want to steer clear of the repercussions. You may be tempted to wash your dirty linen in public, but this may not serve any purpose and show you in bad light. The enthusiasm with which you had started something may show signs of petering out, if you don't remain motivated enough. You are likely to put in extra efforts to do better in studies.

### Gemini (May 21-June 21)

Something that you are dead against may happen contrary to your wishes, but little you can do about it. If you had handled the situation in a mature way, this may not have come to pass.

Things may veer out of control on the professional front, if you slacken your supervision. An episode may expose your vulnerability, so remain alert. Impulse buying is likely to set you back by a few thousands. An old ailment may play up.

### Cancer (June 22-July 22)

You will not get scared to take a stand, even in the face of adversity. There is someone who is still not in touch with reality, so make him or her aware of changed equations. Those in love are likely to plan something exotic, like travelling to some honeymoon destination! Setting up something new may take priority over other things. Someone on the professional front is likely to thank you profusely for your suggestions and inputs.

### Leo (July 23-August 23)

Something that you have committed to someone previously may give you the heebie-jeebies. Things not turning according to plan may become a source of worry. You may plan something different in a gathering to make it more fun and exciting. Love blossoms, as you manage to impress someone from the opposite camp. Those planning to sell property may not get the asked for price, so it is prudent to wait a bit more. Health remains satisfactory.

### Virgo (August 24-September 23)

If you want to go ahead with your plans, it is best to prepare well. You may diversify on the professional front in order to gain more clientele. Some major changes at home are in the offing. Good performance on the academic front may boost your confidence. Health is set to improve for those feeling under the weather. There is much that is not happening on the romantic front, take care not to let the relationship stagnate!

### Libra (September 24-October 23)

Retaining your cool in adverse situations will work in your favour. It is best to talk things out in a mature way, than to start the blame game. You will make things happen the way you want them. An option that you desired on the academic front may soon become a reality. Things move along smoothly at work, as you remain ultra efficient. You will work towards removing the differences creeping up in your relationship.

### Scorpio (October 24-November 22)

Get real and don't confine yourself to your circle, as you may get sidelined. A good deal may make you financially stable. Health wise, you are likely to take good care of yourself to remain hale and hearty. You may get serious in improving your physical appearance. A co-curricular activity may eat up your time, but will open new opportunities. An outing with friends is foreseen towards the weekend. Avoid heavy traffic and keep speed under control.

### Sagittarius (November 23-December 21)

Stand that you have taken may not go down well with many, but that should not deter you from going ahead. Your judgement regarding a situation will be on the dot. Spouse appears most supportive and may become a pillar of strength for you in your current endeavours. Work wise, you remain moderately busy, unless you volunteer for something. Appreciation for something you have accomplished is in the pipeline. Financially, you are likely to remain on a sound wicket.

### Capricorn (December 22-January 21)

This is the time to go all guns blazing on the professional front. Your honesty at work will be taken cognizance of and give you some good returns. Negotiations regarding a property will go in your favour. Don't let anyone's opinion sway you against someone close. This week, meeting an old friend or acquaintance is possible and will prove most exciting. Chance to add to your qualifications is likely to materialise soon on the academic front. Health remains satisfactory.

### Aquarius (January 22-February 19)

Go ahead with an action only if you are sure of the consequences. Never underestimate an adversary. You may opt to start a new venture to enhance your income. Professionally, you will be able to make a mark in whatever you are currently involved in. Getting into the social limelight by your deft manoeuvring cannot be ruled out. An outing with family and friends is on the cards and will prove most exhilarating. Don't get careless on health matters.

### Pisces (February 20-March 20)

You grow from strength to strength on the professional front. Keep a close watch on your professional rivals, as they may be up to something devious. An old ailment may be conquered and make you fit as before. Finding a suitable place to stay for someone will be a big burden off your shoulders. You may feel a bit discouraged in a competitive situation on the academic front. Match making process may be underway for the eligible.

## Your Number Defines You

Predictions for the week {16th March to 22nd March 2019}

### Number 1 {SUN}: {Those born on the 1st, 10th, 19th and 28th in any month}

People having their own entrepreneurial setup might find new opportunities to earn income or enter into a favorable partnership. This might probably help expand business geographically as well. Try to keep your family informed about your plans as they might also become part of your future endeavors. Health issues, if any, might also be sorted out.

Lucky Days: Sunday, Wednesday and Thursday.

### Number 2 {MOON} {Those born on the 2nd, 11th, 20th and 29th in any month}

People in the professional field might find the week eventful. Your ideas at work might be accepted more readily than you expected. You might probably also be able to implement the ideas with successful results.

Conflicts if any might be put to a rest and people might easily rely on you for troubleshooting. How-

ever, be on your guard about sycophants who indulge in too much sweet-talk.

Lucky Days: Sunday, Wednesday and Thursday.

### Number 3 {JUPITER} {Those born on the 3rd, 12th, 21st and 30th in any month}

You probably like interacting with people and charming them with your organizational capabilities. However, try to be a little moderate with your efforts this time around and be cautious with people who plan to 'use' you for their benefit.

There might be certain insecurities creeping up in your mind, which might disappear with time. Try to learn from your past experiences to be able to plan for the future.

Lucky Days: Tuesday and Friday.

### Number 4 {URANUS} {Those born on the 4th, 13th, 22nd and 31st in any month}

You might probably find yourself getting involved in a lot of social activity for the benefit of human life. There might be in-

stances where you might find the need to sacrifice things to do well for people.

This might make you feel contented and contemplative about materialistic things in life. Your farsightedness might also come handy during tricky situations.

Lucky Days: Sunday, Wednesday and Thursday.

### Number 5 {MERCURY} {those born on the 5th, 14th and 23rd in any month}

People around you might be extra sensitive to your needs and desires. Times are favorable for people who might want to get into a permanent relationship.

Chances of travel for work and pleasure are also high. You might be able to explore new facets to your personality and there might be a shift in the way you perceive things.

Avoid thinking too much about your past and try to move ahead in life.

Lucky Days: Friday.

### Number 6 {VENUS} {those born on the 6th, 15th and 24th in any month}

There might be instances in life when sometimes one has to act according to the circumstances and compromise on the way one thinks. You might be probably experiencing this phase in life.

You are probably more comfortable telling things on the spot and expressing yourself candidly. However, wait for the appropriate moment to act or things might not happen the way you want them to.

Lucky Days: Tuesday and Friday.

### Number 7 {NEPTUNE} {those born on the 7th, 16th and 25th in any month}

Things on the personal front, especially related to romance, might keep you occupied this week. Be open to discussions as they might probably help you in formulating new ideas and give vent to your creativity.

Try to help colleagues at work wherever they are stuck without any prejudices or preferences. Your patience might help you to tactfully deal with situations and take things to culmination.

Lucky Days: Sunday, Wednesday and Thursday.

### Number 8 {SATURN} {those born on the 8th, 17th and 26th in any month}

Plans in life might facilitate achievements but sometimes it is better to do things spontaneously, without any specified directions.

Nevertheless, be attentive to your intuitions as they might guide you in overcoming the hurdles that might pass your path. You might also get time to relax and enjoy the finer things in life. Finances might get better with time.

Lucky Days: Wednesday and Friday.

### Number 9 {MARS} {those born on the 9th, 18th and 27th in any month}

The week might kick start on a slow pace but progress steadily towards your desired targets. There might not be many occasions to celebrate but even troubles might not cross your way. Try to keep a low profile and avoid unnecessary thoughts. People having troubles with their personal relationships might find the knot being entangled to their liking.

Lucky Days: Tuesday and Friday.

## Brampton's 2019-2020 Budget Now Open For Review

BRAMPTON: Building momentum as a major urban player, Brampton's 2019-2021 proposed budget focuses on creating opportunities for economic growth, delivering superior programs and services that contribute to quality of life, and continuing efficiencies as a well-run city.

The City of Brampton has released its 2019-2021 Proposed Budget for public review and comments.

All input received will be considered during budget deliberations beginning March 18, with final approval by City Council on March 27.

Highlights of the 2019-2021 Proposed Budget

- Increasing Brampton Transit's fleet by 16 per cent over three years, adding 46 conventional buses and 25 Züm buses.
- Constructing a new fire station in Northwest Brampton; up-

dating fire apparatus and equipment for a more reliable response force.

- Revitalizing Chris Gibson, Howden, and Balmoral Recreation Centres; upgrading Chinguacousy Wellness Centre; converting Riverstone Golf Club into a 34,000 square foot Community Centre.

- Creating a new Marketing and Foreign Direct Investment (FDI) Program; and a Community Improvement Program to incentivize the economic sectors identified in Brampton's Economic Development Master Plan.
- Working towards establishing a Centre for Innovation and Connected Learning.

- Implementing an Environmental Assessment and Urban Design Master Plan for the Riverwalk Project.
- Introducing a one per cent Transit Dedicated Levy (equiva-

lent to \$23 on the average annual tax bill) to provide a dedicated, stable source of funding for future Transit growth needs.

Even with the Infrastructure Levy and the proposed Transit Levy, the net budget increase of 0.8 per cent on the City's portion is the lowest in almost 20 years. For taxpayers, the combined property tax increase on their tax bill will be 1.4 per cent in 2019. This includes tax increases by the

City (0.3%), the Region of Peel (1.1%) and the School Boards (0%).

Public feedback opportunities

- Ask a question or provide a comment using the online contact form or email 2019Budget@brampton.ca.

- Call 311 to submit your question. Participate in a Telephone Town Hall on March 4 from 6 to 7 pm, where a random selection of phone numbers will be called.

To add your phone number to the call list, sign up on the City website by March 3.

- Attend Budget Committee meetings at City Hall on March 18 (9:30 am to 5 pm) and March 20 (3 to 7 pm). Overflow dates are March 25 (9:30 am to 12 pm) and March 26 (9:30 am to 5 pm).

- Attend a Special Council meeting on March 27 (7-10 pm).
- Submit a delegation request to attend Budget Committee or the Budget approval Council meeting.

Mayor Patrick Brown said: "Brampton is witnessing rapid growth, and it is our responsibility to deliver a Budget that plans adequately for growth while maximizing value to taxpayers. The City's portion of the proposed net budget increase is the lowest in almost 20 years, but still manages to offer an expanded suite of services, programs and amenities."
